David T. went over the Budget & Fiscal calendar that the Business Office adheres to. The calendar reflected pivotal dates that the B/O uses to forecast fiscal impact of the college. Additionally, it reflects quarterly reporting that is due to the Chancellors office. The calendar gave an overview of the financial reporting obligations that are overseen by the B/O and necessary for our fiscal health.

**6. PPA and Resources Request Calendar**

Dave B. gave an overview of the Program planning and Assessment (PPA) calendar. This was an overview with specific dates of when the process starts and the steps and procedure necessary for it to funnel through until it reaches the final step for considerations of approval.

**7. First Read: Draft of Revised IRC Handbook.**

Graciano and Dave gave a brief revision update of the Handbook and went over the standard items that are consistent with the other council handbooks to have some sort of cohesiveness in its formality. The areas for update were presented in "redline" and included updating of the following categories; Membership, Frequency of Meetings, Agendas, Council Recommendations and Budget.

**9. Sub-Committee: Facilities/Space**

Graciano proposed Dave Beymers' suggestion on forming a sub-committee to process and make recommendations on facility use, space request, art work, etc. to the IRC. Jackie suggested we review the Policy as a council to make that determination prior to delegating the details of responsibility to a sub-committee. Sub-committee can be made up from 3-6 members, possibly 1 from each constituent group. Dave suggested three members from IRC be on the Advancement Council including an Associate Student.
