## ABOUT HARTNELL COLLEGE

**Hartnell College** is one of the oldest institutions of higher education in California. Founded in 1920 by the Salinas Union High School District as Salinas Junior College, the college was initially housed in the new Salinas High School building on South Main Street. In 1948, the junior college was renamed Hartnell College, after the 19th-century British trader William Petty Hartnell, who settled on land in the area. The Hartnell Community College District was established the following year.

In 1936, Hartnell College moved to its current 54-acre site, on the former ancestral land of the Ohlone Rumsen Mutsun people. Referred to as Main Campus, the site is located at 156 Homestead Avenue, Salinas. On October 1, 2007, Hartnell College changed its address from 156 Homestead Avenue to 411 Central Avenue. The new address helps students attending the College because it is easier to locate the newly constructed parking structure accessible from Central Avenue.

The Main Campus is located in Monterey County, just a 25-minute drive from the scenic Monterey Peninsula and the Monterey Regional Airport. In 2014, the District opened its Alisal Campus in east Salinas. The Alisal Campus houses the Agricultural Business and Technology Institute, the Sustainable Design and Construction Center, and the diesel, automotive technology, and computer science programs. Hartnell also delivers classes at its education center in King City, which opened in 2002, and at numerous off-campus locations in north and south Monterey County. In 2016, District voters approved a \$167 million local bond measure known as Measure T. In fall 2021, the District opened the Soledad Education Center and an expanded wing nearly doubling the size of the King City Education Center. The Castroville Education Center and the Nursing & Allied Health Center opened in the spring of 2022.

The District serves the Salinas Valley, a fertile agricultural region some 10 miles wide and 100 miles long, as well as part of southern San Benito County. Hartnell has a highly diverse student body with an average annual enrollment above 11,000 students for the most recent three academic years (from 2020-2021 to 2022-2023) from the local communities of Salinas, Bradley, Castroville, Chular, Gonzales, Greenfield, Jolon, King City, Lockwood, Moss Landing, San Ardo, San Lucas, Soledad, and other communities around

California's Central Coast, as well as other states and countries. All are drawn to Hartnell's academic excellence and focus on the success of students in its four-year transfer, nursing and technical programs, as well as a proud tradition in intercollegiate athletics, with 12 men's and women's teams, some of which have earned state championships.

### **Demographics**

Most of our students (54%) are among the first in their families to attend college (first-generation students). About 54% of students are women and 45% are men, with an ethnic makeup that includes 80% Hispanic, earning Hartnell a federal designation as a Hispanic-Serving Institution. In addition, 7% are white/non-Hispanic, 4% are Asian, 2% are African American, and 2% are two or more races. In 2021, Hartnell College was the only district recognized with an honorable mention for the John W. Rice Diversity and Inclusion Award by the California Community College Chancellor.

### **Hispanic Serving Institution**

As a designated Hispanic Serving Institution (HSI) by the U.S. Department of Education, Hartnell College has a long history of successfully competing for HSI funding through various federal programs. Over that extensive history, the District has been awarded close to \$40 million in Hispanic Serving Institution funding that has been utilized to design and create equity-minded structures and processes that holistically serve Hartnell's diverse student population. Aligned with the college's mission and vision, the Hispanic Serving Institution initiatives focus on strengthening the college's capacities by building equitable systems of teaching and student services that foster a positive, inclusive, and identity-safe culture for all underserved students.

### **Educational Programs**

Hartnell offers the first and second years of college programs for workplace and career training, and transfer, including a three-year bachelor's degree program in computer science and a 2+2 teacher-preparation pathway, both in partnership with California State University, Monterey Bay, just 15 minutes from Salinas. Hartnell College awards the Associate of arts degree, associate of science degree, and certificates of achievement, including the strong and successful nursing and allied health program, whose graduates become LVNs, RNs, EMTs, and respiratory care practitioners. For several years running, Hartnell's nursing graduates have achieved NCLEX pass rates of at or near 100 percent.

Hartnell's state-of-the-art Library and Learning Resource Center provides access to electronic databases and is the hub of information and learning technologies. The college has committed to ongoing technology enhancements, including virtualization and server enhancement projects that will increase

productivity and access for its students and employees, giving them technological advantages that most college and university students and personnel do not yet have.

Hartnell's vibrant visual and performing arts programs include a resident theatre arts company, The Western Stage, which since its founding in 1974 has consistently been among the most respected arts institutions on the Central Coast. Its programming is both traditional and experimental, serving theatre patrons and families, and including world premieres of works by contemporary Latino playwrights among other diverse voices. Hartnell theatre arts faculty partners with the Alisal Center for the Fine Arts to engage and encourage area youth in their artistic pursuits. The College hosts a student-community orchestra and chorus and the Hartnell Gallery holds an extensive inventory of paintings, sculptures, and photographs.

### **Course Offerings**

Day, evening, and weekend courses are offered in the classroom, online, and hybrid delivery modes, in both full 16-week and condensed shorter sessions. Hartnell is sensitive to its diverse community and offers classes in modified formats to meet the needs of students who work or have other outside commitments, such as late-start courses and Saturday and evening sessions. The College offers a full complement of academic and other support services to assist students' educational progress in a one-stop student services format, available online, by phone, and in-person. These include personal counseling, financial aid, and scholarship services, international student services, re-entry services, veterans' services, sports counseling, disabled students' programs and services, assessment testing, and career and transfer assistance. In addition, students are encouraged to become involved in the many clubs on campus and student government through the Associated Students of Hartnell College.

# **GENERAL FUND**

Final budget figures are based upon the 2023-24 enacted state budget that was signed by the Governor on July 10, 2023, as well as the California Community Colleges Chancellor's Office's (CO's) Joint Analysis of the 2023-24 Enacted Budget and the Advance Apportionment for 2023-24.

The Final Budget is built to meet requirements across all Funds. Each of the District funds are projected to have a positive balance at the beginning and the end of the fiscal year.

**Hartnell College Apportionment History and Funded FTES**

Fiscal Year	Funded FTES	
2019-20	7,362	
2020-21	7,350	
2021-22	7,368	
*2022-23	7,368	*Projected
**2023-24	7,368	**Projected, includes deficit factor

**General Fund (11)**  
**71,260,629 requirement**

The General Fund is the primary operating fund of the District. It includes resources that are unrestricted as well as funds with restricted spending requirements.

**Unrestricted Funds**

Nearly all day-to-day operating expenses are charged to the unrestricted General Fund. Unrestricted revenue is budgeted at **\$71,260,629**, with an estimated beginning balance of **\$16.08 million**.

*General Fund Unrestricted Resources*

State apportionment is funded by local property tax, student fees, state general fund, and EPA. State apportionment is the largest source of revenue and represents **91%** of all unrestricted income. Principal apportionment is calculated by the state Chancellor’s Office based on enrollments referred to as full time equivalent students (FTES) at the District. Based on guidance received from the state Chancellor’s Office, the District assumes that any reduction in apportionment funding will result in an equivalent reduction in funded FTES workload. The budgeted projection of FTES is **7,368**.

The largest expenditure portion of the budget is allocated for employee salaries, associated payroll costs and benefits **80%**. The remaining budget **20%** is allocated for operating costs, facility maintenance, supplies, contracted services, and equipment. Unrestricted requirements are budgeted at **\$71,260,629**.

*General Fund Unrestricted Requirements*

**RESTRICTED FUNDS (12 & 13)**

Restricted funds are used for the operation of educational programs specifically restricted by laws, regulations, or donors, and are recorded separately in the General Fund. Total restricted funds amount to approximately \$37 million for 2023-24.

## **OTHER FUNDS**

**OTHER FUNDS**

**Special Revenue Fund (31 &33)**  
**\$ 723,836 requirement**

Special Revenue Funds are used to account for the proceeds of specific revenue sources whose expenditures are legally restricted. Activities in these funds may or may not be self-supporting and are generally not related to direct educational services.

The Bookstore Fund is used to account for the lease of the college bookstore. The District contracts with Follett Higher Education Group to manage the day-to-day operations of the store. Follett pays all operational expenses but shares revenue with the District. The District's shared revenue is 8.5% of commissioned sales. 8.5% of this amount (\$7,536) is transferred to the Associated Student Body Fund (Fund 71) and \$100,000 to the General Unrestricted Fund (Fund 11).

The District operates a full-service child development center on its main campus. The Child Development Fund is designated to account for child care and development services, revenue generated by student fees, and expenses related to direct costs. This program has traditionally been self-supporting.

**Capital Projects Fund (41, 44, & 46)**  
**\$ 54,032,772 requirement**

This group of funds is used to account for financial resources used in the acquisition or construction of major capital facilities and other capital outlay projects. This includes land acquisition, scheduled maintenance, significant equipment and furnishings for new buildings, information technology equipment, software, and educational equipment. The Bond Projects Fund, financed with voter-approved Measure T bond proceeds, will be the largest fund in the group.

**Enterprise Fund (52, 55 & 59)**  
**\$ 1,539,879 requirement**

The Contract Service Fund and the Cafeteria Fund are examples of Hartnell Enterprise Funds. Enterprise Funds are intended to operate as self-supporting entities. The Cafeteria Fund is used to account for the sale of food from café sales, catering, and vending machines. The Starbucks Fund is used to account for the sales of food, drinks, and merchandise of the on-campus Starbucks licensed-store. The Contract Service Fund was established to provide educational training services to local enterprises.

**Internal Service Fund (61, 62 & 63)**  
**\$ 76,200 requirement**

Internal Service Funds are used to account for the financing of goods or services provided by one department to other departments on a cost-reimbursement basis.

In 2003, the District joined a statewide workers’ compensation purchasing pool, the Protected Insurance Program for Schools (PIPS). This program has reduced premiums for the District. Prior to 2003, the District participated in a Monterey County workers’ compensation consortium. The District established a self-insured fund to account for outstanding claims which occurred prior to 2003 (which would not be covered by PIPS). It also uses this fund to pay for property loss and liability deductibles. Revenue is generated through interest and the remaining claims are paid through this fund.

A Retiree Health Benefits Fund has also been established to account for future benefit liabilities as required by the Government Accounting Standards Board (GASB Statement No. 43 and 45). As of the measurement date of June 30, 2022, the actuarial value for these future commitments is approximately \$8.77 million. Although GASB allows up to 30 years to fully fund this liability, the District has already funded 82% of the projected liability as of this measurement date. An irrevocable trust has been established with CalPERS as part of their California Employers Retirement Benefit Trust.

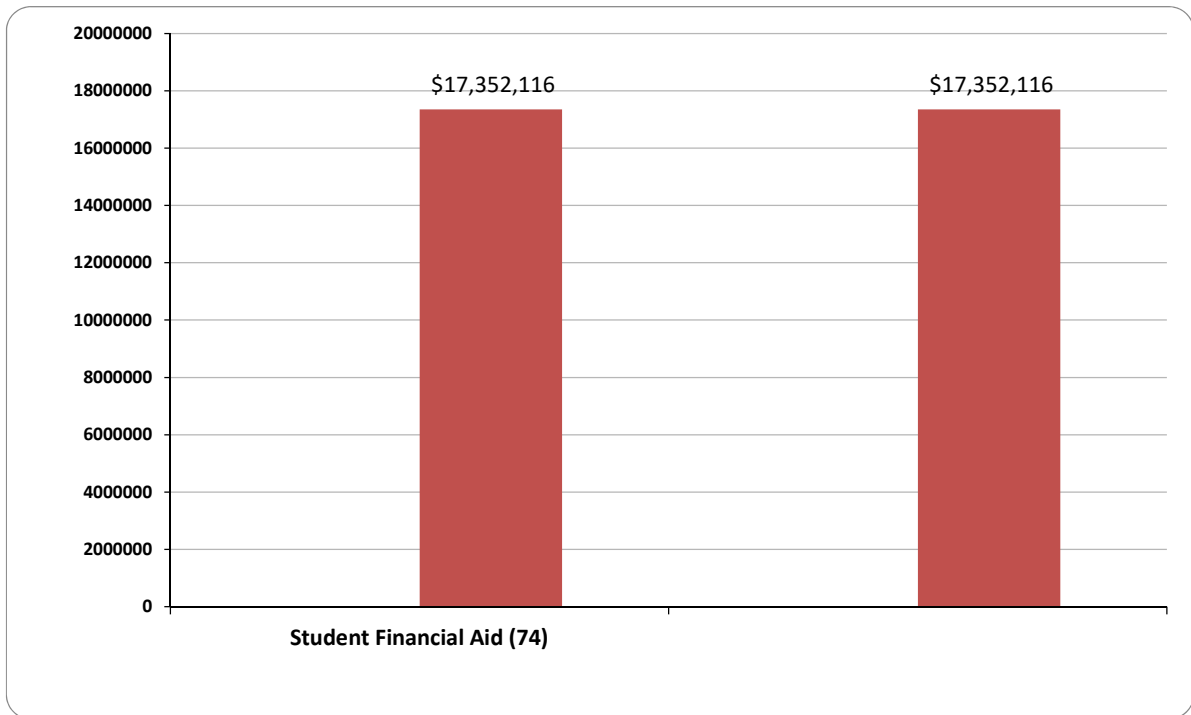

The Public Agency Retirement Services (PARS) account was established to support Hartnell College manage ongoing pension obligations. As funds become available within the General Fund, the surplus is transferred to the PARS Fiduciary Account. Earnings within the Fiduciary account has an annualized return of approximately 5-7%. The funds in the trust are securely set-aside and protected from diversion for uses other than pension funding requirements..

**Trust and Agency Fund**  
**\$ 17,495,500 requirement**

Trust and Agency Funds are used to account for assets held by the District in a trustee or agency capacity for individuals, private organizations, or other governmental units. The District has a fiduciary responsibility for such funds, with some degree of discretionary authority. Operations of these funds are measured and reported in the District’s financial statements. Funds in this group include assets held for the Associated Student Body, student representation fees, scholarships/loans trust, athletics, and student financial aid.

**APPENDIX B  
EDUCATION PROTECTION ACT**

**EDUCATION PROTECTION ACT**

The Schools and Local Public Safety Protection Act of 2012 (Proposition 30) raised the income tax on those at the highest end of the income scale. It also increased the state sales tax rate by one-quarter cent from 2013-2016. With the passage of Proposition 55 in November 2016, the income tax increases were extended through 2030.

This tax revenue is guaranteed in the California Constitution to go directly to local schools and community colleges. Cities and counties are guaranteed ongoing funding for public safety programs as local police and child protective services.

To ensure these funds go where the voters intended, they are put in special accounts that the Legislature cannot touch. None of these new revenues can be spent on state bureaucracy or administrative costs. The revenues are deposited into an "Education Protection Account" (EPA) within the state's General Fund.

These funds will be subject to an independent audit every year to ensure they are spent only for schools and public safety. Elected officials will be subject to prosecution and criminal penalties if they misuse the funds. Expenses incurred by schools and public safety entities to meet the audit requirement may be paid with funding from the EPA funds and shall not be considered administrative costs.

Community College Districts decide how the funds can be used, but are required to hold public meetings when making spending decisions as required under Article XIII, Section 36 of the California Constitution. In addition, they are required to publish annual reports online accounting for how much money was received and spent from the EPA. In no event shall the governing board authorize the use of EPA funds for salaries or benefits of administrators or any other administrative costs.

The Hartnell College governing board normally authorizes the spending of funds received from the Education Protection Act as follows:

This memo describes the 2023-24 Advance (AD) apportionment calculations for the Student Centered Funding Formula (SCFF) and various categorical programs. Associated exhibits are available on the Chancellor's Office [Fiscal Services Unit Apportionment Reports website](#). Details on additional 2023 Budget Act resources will be available in the [2023-24 Compendium of Allocations and Resources](#).

## SCFF General Background

The SCFF consists of three principal components – the base allocation, supplemental allocation, and student success allocation with the following parameters:

- The base allocation relies primarily on college and center size based on prior year data and current year Full Time Equivalent Student (FTES) enrollment.
- The supplemental allocation is based on prior year data.
- The student success allocation is based on an average of three prior years of data.

Generally, the Chancellor's Office certifies apportionments three times per year with the Advance Apportionment (AD) released in July, First Principal (P1) and Recalculation (R1) in February, and Second Principal (P2) in June. Additional certification revisions are completed as necessary.

At the Advance apportionment, the Chancellor's Office uses estimates and previously reported data to calculate the components of the SCFF to disburse resources for the first seven months of the fiscal year.

## SCFF 2023-24 Advance

At 2023-24 Advance, SCFF State General Apportionment incorporates assumptions aligned with factors used to develop the 2023 Budget Act, including a COLA of 8.22% and \$26.4 million in funding for growth. The Total Computational Revenue (Max TCR) consists of the highest of the following three TCR calculations for each district: (A) TCR calculated by formula in 2023-24, (B) TCR stability protection (2022-23 calculated TCR plus COLA), or (C) Hold Harmless (2017-18 TCR plus yearly COLAs). At 2023-24 AD, the statewide SCFF Max TCR is \$9.45 billion.

**2023-24 Advance Apportionment**  
July 21, 2023

For the 2023-24 AD, Full-Time Equivalent Student (FTES) values are carried forward from the 2022-23 Second Principal (P2) data excluding any 2022-23 COVID-19 emergency conditions allowances. The 2021-22 supplemental values are carried forward from the data set submitted on March 10, 2023. The student success allocation three-year average is calculated using the 2020-21 data once, and the 2021-22 data set submitted on March 10, 2023 twice, considering that the 2022-23 data is not yet available.

Category	Data Used at 2023-24 Advance
FTES – Current Year	2022-23 P2 Reported FTES <u>excluding</u> any COVID-19 emergency conditions allowances
FTES – Prior Year Applied #3	2022-23 P2 Applied #3 <u>including</u> any COVID-19 emergency conditions allowances
FTES – Prior Prior Year Applied #3	2021-22 R1 June 2023 Revision Applied #3 <u>including</u> any COVID-19 emergency conditions allowances
FTES – Basic Allocation	2021-22 R1 College and Center FTES <u>including</u> any COVID-19 emergency conditions allowance funding level protections
Supplemental	2021-22 supplemental data reported on March 10, 2023
Student Success	2020-21 data, and 2021-22 data (reported March 10, 2023) twice to determine a three-year average

To estimate property taxes, 2022-23 P2 property tax data is proportionally increased by 4.48% to align with Department of Finance projections. Enrollment fees are based on 2022-23 P2 data and 2023-24 Education Protection Account (EPA) funding is based on projections provided by the Department of Finance.

The table below reflects the SCFF rates at 2023-24 AD as modified by COLA in the 2023 Budget Act.

Category	2022-23 Rates (rounded)	2023-24 Rates (rounded)

## 2023-24 AD Exhibits

- Exhibit A (District Monthly Payments by Program)
- Exhibit B4 (County Monthly Payment Schedule)
- Exhibit R (SCFF Apportionment Summary)

The Exhibit R is a summary document used in place of the Exhibit C at the Advance apportionment which identifies each district’s components of the SCFF and the various revenue sources (i.e., general fund, property taxes, enrollment fees, 2015-16 Full-Time Faculty Hiring, and Education Protection Account (EPA)) used by the Chancellor’s Office to fund each district’s Total Computational Revenue.

## SCFF Funding Protections

Fiscal year 2022-23 was the final year for the optional Title 5 COVID-19 emergency conditions allowance. However, there are several funding protections applicable under the SCFF, summarized below.

Protection	Description
Hold Harmless (EDC 84750.4(h))	Districts receive no less than their 2017-18 TCR plus applicable cumulative annual cost of living adjustments through 2024-25.  The 2022 Budget Act extended the Hold Harmless protection in a modified form. Starting in 2025-26, the Hold Harmless provision will no longer reflect cumulative COLAs over time. A district’s 2024-25 TCR will represent its new “floor,” below which it cannot drop.
Stability Protection (EDC 84750.4(g)(4)(A))	Commencing in 2020-21, declines in the SCFF TCR (excluding the hold harmless) are applicable in the year after the decline and include any applicable COLA. This protection is similar to the former FTES stability protection provided under SB 361, however is based on SCFF calculated revenue TCR.
FTES Restoration Protection (EDC 84750.4(d)(2)(D))	Ability to restore FTES that have declined in the previous 3 years. This protection is converted to a funding amount to provide flexibility.
Basic Allocation Protection (Title 5 § 58776)	Declines in college and center basic allocation tiers are effective 3 years after the initial decline. Increases or new colleges or centers are eligible for funding in the year following the increase or establishment.

## 2022-23 EPA and State General Apportionment Adjustment – Estimated September/October 2023

The 2022-23 EPA funding allocation was updated by the Department of Finance in June 2023 from \$1.56 billion to \$503 million, a decrease of \$1.057 billion. SB 117 Higher Education Trailer Bill, enacted July 2023, provides the general fund revenues needed to offset the June 2023 decrease in 2022-23 EPA funding. The 2022-23 EPA payments will be accounted for by offsetting the first quarter and second quarter 2023-24 EPA payments in September and December 2023, respectively.

The additional 2022-23 general fund payments will be processed through an early 2022-23 Recalculation apportionment, estimated September or October 2023, at which time a revised Exhibit C will be published. With the additional general fund revenues, the deficit factor for each district is estimated to be reduced from 10.83% to 0.96% based on 2022-23 P2 data. Additional details are referenced in the [2022-23 Second Principal apportionment memo FS 23-03](#).

### SCFF Dashboard

Since the adoption of the SCFF, the Chancellor's Office has collaborated with system partners to develop tools and resources to support SCFF implementation. The [SCFF Dashboard](#) provides analytics and visualizations about the California Community Colleges funding formula. There are three dashboard interfaces:

- Dashboard 1: Presents an analysis and comparison of the prior funding formula (SB 361) and SCFF. This data is updated each year after Recalculation. Data last updated February 2023.
- Dashboard 2: Provides analysis and trends in the SCFF supplemental and student success counts, funding protections, and race and ethnicity analyses. This data is updated each year after Recalculation. Data last updated February 2023.
- Dashboard 3: Provides districts with a planning tool, known as the SCFF Resource Estimator. This data is updated after each apportionment period. Data last updated June 2023.

Dashboard 3, the SCFF Resource Estimator, allows users to modify assumptions about levels of general enrollment, low-income student enrollment, and student success, in addition to cost of living adjustments to generate projections of funding levels in future years. The SCFF Resource Estimator is designed to provide five-year estimates. The SCFF Resource Estimator will be updated with 2023-24 AD data in the coming weeks.

### Categorical Programs

A total of 30 categorical programs certified their district allocations at 2023-24 AD totaling over \$1.3 billion. The following exhibits pertaining to 2023-24 AD categorical program allocations can be found on our [website](#):

- Exhibit A (District Monthly Payments by program)
- Exhibit A (Apprenticeship Training and Instruction, Local Education Agencies)
- Exhibit A/B-4 (Statewide Community College)

Additional information regarding categorical programs can be found in the Compendium of Allocations and Resources (the Compendium) on the [Budget News](#) web page.
