A primary function of counseling services is to ensure that students have a clearly outlined plan detailing courses in which to enroll (Student Educational Plan) to achieve their academic, personal and career goals.

Academic, personal and career counseling services are an essential part of the educational mission of the District. The Superintendent/President will assure the provision of counseling services that include academic, personal and career counseling that is related to the student's completion of their educational, career and personal goals.

Academic counseling is required for all concurrent enrollment students, first time students enrolled in at least six units, students who reach the 15-degree applicable unit mark and students on academic or progress probation. A primary function of counseling services is to ensure students have a clearly outlined plan on courses to enroll in (Student Educational Plan) to achieve their educational, career and personal goals.
