How does your program plan to use Guided Pathways pillars (clarify pathways to end goals, help students choose and enter pathways, help students stay on path? Ensure students are learning) to promote transfer and/or career options?

5) Discussion Items

a) Anti-Racism Pledge

Cheryl O'Donnell

Cheryl shared the anti-racism pledge that was adopted at plenary. The resolution encourages senate/faculty to adopt the pledge. Cheryl wanted to bring it back to the college and have a discussion on what we want to do as a college. We want words with actions to follow, not just signing it.

It is our goal to have something to which we can agree on. What is realistic and practical.

A retreat was suggested to do the planning, as well as, inviting different chairs from committees to get a different approach for training senators. Daniel Lopez and Hortencia Jimenez will be invited to the Feb. 9, 2021 meeting as they would add a lot to the conversation.

6) President's Report

7) Announcements (Senators): Updates on Standing Committees/Governance Councils/Task Forces/ASCCC Events.

8) Adjournment-President O'Donnell adjourned the meeting at 5:24PM

MSC: Hough/Storm to transfer authority to Steering during the break.
