Standard 1: Institutional Mission and Effectiveness

The institution has a clearly defined mission that reflects its character, values, organizational structure, and unique student population. The mission outlines the institution’s explicit commitment to equitable student achievement and serves as a guiding principle for institutional planning, action, evaluation, improvement, and innovation.

- 1.1. The institution has established a clearly defined mission that appropriately reflects its character, values, structure, and unique student demographics. The institution’s mission articulates its commitment to ensuring equitable educational opportunities and outcomes for all students. (ER 6)
- 1.2. The institution establishes meaningful and ambitious goals for institutional improvement, innovation, and equitable student outcomes.
- 1.3. The institution holds itself accountable for achieving its mission and goals and regularly reviews relevant, meaningfully disaggregated data to evaluate its progress and inform plans for continued improvement and innovation. (ER 3, ER 11)
- 1.4. The institution’s mission directs resource allocation, innovation, and continuous quality improvement through ongoing systematic planning and evaluation of programs and services. (ER 19)
- 1.5. The institution regularly communicates progress toward achieving its mission and goals with internal and external stakeholders in order to promote understanding of institutional strengths, priorities, and areas for continued improvement. (ER 19)

Required Documentation – Institutional Mission and Effectiveness

Within the Institutional Self-Evaluation Report, the institution will provide narratives and a variety of evidence sources to describe and demonstrate alignment with each Standard. Institutions must also include documentation of the required items below. This documentation can be included as supporting evidence for the Standard narratives if appropriate, or they may be provided as stand-alone files. Peer Review Teams will confirm these items during the comprehensive review process using a checklist.

- 1i. Documentation of the institution’s authority to operate as a post-secondary education institution and award degrees (e.g., degree-granting approval statement, authorization to operate, articles of incorporation) (ER 1)
- 1ii. Procedures/practices for periodic review of mission/mission-related statements, including provisions for revision (if/when revisions are needed) that allow for participation of institutional stakeholders, as appropriate for the character and context of the institution
- 1iii. Documentation of the governing board’s approval of the institutional mission (ER 6)
- 1iv. Procedures/processes for setting institutional goals, including provisions for the inclusion of input from relevant institutional stakeholders, as appropriate for the character and context of the institution
- 1v. Documentation that the institution has established standards and goals for student achievement (i.e., institution-set standards), including but not limited to standards and goals for successful course completion, certificate completion, degree completion, transfer rates, job placement rates, and licensure examination pass rates, at the institutional and program levels (ER 2, ER 11)

Standard 2: Student Success

In alignment with its mission, the institution delivers high-quality academic and learning support programs that engage and support students through their unique educational journeys. Academic and learning support programs promote equitable student success, and the institution evaluates student learning and achievement data to inform improvements and advance equitable outcomes.

- 2.1. Academic programs at all locations and in all modes of delivery are offered in fields of study consistent with the institution's mission and reflect appropriate breadth, depth, and expected learning outcomes. (ER 3, ER 9, ER 12)
- 2.2. The institution, relying on faculty and other appropriate stakeholders, designs and delivers academic programs that reflect relevant discipline and industry standards and support equitable attainment of learning outcomes and achievement of educational goals. (ER 3, ER 9, ER 11, ER 14)
- 2.3. All degree programs include a general education framework to ensure the development of broad knowledge, skills, and competencies related to communication, quantitative reasoning, critical thinking, information literacy, civic responsibility, and the ability to engage with diverse perspectives. (ER 12)
- 2.4. The institution communicates clear, accurate, and accessible information regarding programs, services, and resources that foster success in students' unique educational journeys. (ER 20)
- 2.5. The institution holds itself accountable for students' success by scheduling courses in a manner that ensures degree and certificate programs can be completed in the expected period of time. (ER 9)
- 2.6. The institution uses delivery modes and teaching methodologies that meet student and curricular needs and promote equitable student learning and achievement.
- 2.7. The institution designs and delivers equitable and effective services and programs that support students in their unique educational journeys, address academic and non-academic needs, and maximize their potential for success. Such services include library and learning resources, academic counseling and support, and other services the institution identifies as appropriate for its mission and student needs. (ER 15, ER 17)
- 2.8. The institution fosters a sense of belonging and community with its students by providing multiple opportunities for engagement with the institution, programs, and peers. Such opportunities reflect the varied needs of the student population and effectively support students' unique educational journeys. (ER 15)
- 2.9. The institution conducts systematic review and assessment to ensure the quality of its academic, learning support, and student services programs and implement improvements and innovations in support of equitable student achievement. (ER 11, ER 14)

Required Documentation – Student Success

Within the Institutional Self-Evaluation Report, the institution will provide narratives and a variety of evidence sources to describe and demonstrate alignment with each Standard. Institutions must also include documentation of the required items below. This documentation can be included as supporting evidence for the Standard narratives if appropriate, or they may be provided as stand-alone files. Peer Review Teams will confirm these items during the comprehensive review process using a checklist.

- 2i. Documentation that the institution’s practices for awarding credit reflect generally accepted following norms in higher education, including:

- 2xiv. Policies and/or other documentation related to institutional expectations of conformity with any specific worldviews or beliefs

Standard 3: Infrastructure and Resources

The institution supports its educational services and operational functions with effective infrastructure, qualified personnel, and stable finances. The institution organizes its staffing and allocates its physical, technological, and financial resources to improve its overall effectiveness and promote equitable student success. The institution actively monitors and assesses resource capacity to inform improvements to infrastructure and ensure long-term health and stability.

- 3.1. The institution employs qualified faculty, staff, administrators, and other personnel to support and sustain educational services and improve student success. The institution maintains appropriate policies and regularly assesses its employment practices to promote and improve equity, diversity, and mission fulfillment. (ER 8, ER 14)
- 3.2. The institution supports its employees with professional learning opportunities aligned with the mission and institutional goals. These opportunities are regularly evaluated for overall effectiveness in promoting equitable student success and in meeting institutional and employee needs.
- 3.3. The institution evaluates its employees regularly, using clear criteria that align with professional responsibilities and reflect the institution's mission and goals.
- 3.4. The institution develops, maintains, and enhances its educational services and operational functions through the effective use of fiscal resources. Financial resources support and sustain the mission and promote equitable achievement of student success. (ER 18)
- 3.5. The institution's mission and goals are the foundation for financial planning. Financial information is disseminated to support effective planning and decision-making and provide opportunities for stakeholders to participate in the development of plans and budgets.
- 3.6. The institution ensures the integrity and responsible use of its financial resources and regularly evaluates its fiscal outcomes and financial management practices to promote institutional mission fulfillment.
- 3.7. The institution ensures financial solvency. When making short-range financial plans, the institution considers its long-range financial priorities and future obligations to ensure sustained fiscal stability. (ER 18)
- 3.8. The institution constructs and maintains physical resources to support and sustain educational services and operational functions. The institution ensures safe and effective physical resources at all locations where it offers instruction, student services, and/or learning supports.
- 3.9. The institution implements, enhances, and secures its technology resources to support and sustain educational services and operational functions. The institution clearly communicates requirements for the safe and appropriate use of technology to students and employees and employs effective protocols for network and data security.
- 3.10. The institution has appropriate strategies for risk management and has policies and procedures in place to implement contingency plans in the event of financial, environmental, or technological emergencies and other unforeseen circumstances.

Required Documentation – Infrastructure and Resources

Within the Institutional Self-Evaluation Report, the institution will provide narratives and a variety of evidence sources to describe and demonstrate alignment with each Standard. Evidence sources will vary from institution to institution. Institutions must also include documentation of the items below. These required items can be included as supporting evidence for the Standard narratives, or they may be provided as stand-alone files. Peer Review Teams will confirm these items during the comprehensive review process using a checklist.

- 3i. Written policies and procedures for human resources, including hiring procedures
- 3ii. Employee handbooks or similar documents that communicate expectations to employees
- 3iii. Annual financial audit reports (3 prior years, include auxiliary organizations, if applicable) (ER 5)
- 3iv. Practices for resource allocation and budget development (including budget allocation model for multi-college districts/systems)
- 3v. Policies guiding fiscal management (e.g., related to reserves, budget development)
- 3vi. Policies, procedures or agreements (e.g., AUAs) related to appropriate use of technology systems

FOR TITLE IV PARTICIPANTS

- 3vii. Documentation that the institution’s student loan default rates are within the acceptable range defined by ED, or – if rates fall outside the acceptable range – documentation of corrective efforts underway to address the issue
