

First meeting info:

ATD Action plan:

We submitted an action plan to ATD late in the spring semester that identified three priorities with the main priority of Main Priority: **Design a Professional Development Plan and Structure that is clear, equitable, inclusive, and effective.**

The sub priorities were:

1. Research Other Institutions that have robust, effective, and inclusive professional development centers/programming
2. Create, Distribute, and Evaluate a Professional Development Needs Assessment
3. Create a Hartnell College Professional Development Structure that is inclusive, equitable, and aligned with our Strategic Plan.

Of the three sub-priorities, we committed to completing ONE this semester (#1).
