Agenda was not approved due to lack of quorum.

3. Approval of Minutes

Minutes were not approved due to lack of quorum.

4. Second Reading of AP 4025

Dr. Locke presented the updated version of AP 4025. Very few members had the chance to review prior to the first read, so she incorporated the recommendations that were voiced at the first reading. Dr. Locke corrected the Title 5 section number, as well as the out-of-date Hartnell Core Competencies. The naming convention is the same as the upcoming CalGETC standards and new associate degree standards. Dr. Locke thanked Dr. Moth for her input

regarding redundancies in the document. Dr. Locke requested member input for this second reading, and she made revisions on the draft document that is posted on the council's webpage.

Next step: Dr. Locke will send the document to Lucy Serrano to be placed on the path of APs. Most councils that need to review should be able to do so in May. This may not make the catalog for Fall 2024.

5. First Reading of Faculty Hiring Resolution

Dr. Locke did not present at this time.

6. AB 1705 Report Update

Dr. Fontes shared there are 2 reports due to Chancellor's Office: 1) July 1 - new requirements regarding students needing to take Calculus or a corequisite course, 2) August due date – half a million dollars for Hartnell to ensure students receive support.

Dr. Yahdi reported that on Saturday, April 13, the math department will have a professional development workshop/retreat from 8:30am-3:30pm in S-218 to discuss and focused on AB1705. There will be more focus on Gateway classes for math-intensive pathways (calc/pre-calc).
