

Embedding Meta Majors in the College

Initial Design

- Meta majors/Number of meta majors and allocation of programs to meta majors [IPRE/Inquiry and Design Team]
- Meta major communities [IPRE/CReST]
- GPS (student success) teams [IPRE/CReST]

Implementation

- Meta majors [Academic Senate/Curriculum Committee]
- Academic Senate membership reorganized by meta major [Academic Senate]
- Fully online pathways within meta majors [Academic Senate]
- Program maps within meta majors on website/Program Mapper provides access (<https://www.hartnell.edu/academics-affairs/meta-majors/>) [Student Affairs/Academic Affairs]
- CCC Apply allows applicants to select major by filtering through meta major [Student Affairs]
- Counseling faculty reorganized by meta major [Student Affairs]
- Pathways Team provides information to district high schools about meta majors [Student Affairs]
- Meta majors embedded into dual enrollment services [Student Affairs]
- Panther Prep organized by meta major [Student Affairs]

Under Development

Marketing meta majors [Student Affairs]

- Student choice of meta major in Colleague [ITR]
- Meta major communities [Academic Affairs]
- GPS (student success) teams within meta majors [Academic Affairs]
- Career Hub opportunities by meta major [Academic Affairs]
- Website redesign with meta majors as focal point [ITR]

Under Consideration

- Reorganization of Academic Affairs areas by meta majors
- Adding PPAs for each meta major [IPRE]
