Hi Dr. Jalomo,

Below are the current fraud numbers as of today 10/2/2024:

Fraud Hold	Total
Application	751
Enrollment	427
Financial Aid (mostly 2024SU)	259
Suspected Fraud	483
Grand Total	1920

We are seeing an increase in fraud since we have upcoming late start courses.
August 2024 = 403
September 2024 = 779
October 2024 = 292

I also anticipate an increase in fraud now that we are open for 2024FA, 2025SP, 2025SU and 2024FA.

We have begun texting suspected fraud students to visit A&R to verify identity to prevent being dropped from course.

Let me know if you have questions.

Maria
