HARTNELLCOLLEGE

TECHNOLOGY LEARNING SUPPORT COUNCIL
September 20, 2024
Via ZOOM

The Technology Learning Support Council is dedicated to providing student-centered decision-making in all we do.

The Four Pillars of Guided Pathways direct all initiatives:
- How can we contribute to creating clear curricular pathways for students leading to employment and further education?
- How can we help students choose and enter their pathway?
- How can we foster an environment where students stay on their path?
- How can we ensure that learning is happening with intentional outcomes?
