Academic Renewal Policy

Students may petition to have their academic record reviewed for academic renewal of substandard (D, F, NC, NP Grades) academic performance under the following conditions:

- Students must have achieved a cumulative grade point average of a minimum of 2.0 since the end of the term to be disregarded at Hartnell.
- The student has completed 18 semester units since the end of the term to be disregarded leading to a certificate, associate degree, or university transfer requirements at Hartnell or work completed at another institution. If a student chooses to use courses completed outside of Hartnell College, the student will submit an official transcript documenting those units to Admissions and Records prior to, or at the time of petitioning for Academic Renewal. Unofficial transcripts will not be accepted.
- At least 3 semesters, excluding summer must have elapsed from the time the course work to be removed was completed.
- Up to 30 semester units of substandard coursework may be eliminated from consideration in the cumulative grade point average computation.
- Academic renewal procedures may not conflict with the District's obligation to retain and destroy records or with the instructor's ability to determine a student's final grade.
- A student may be granted academic renewal only once.
- Academic renewal actions are irreversible. The student's permanent academic record shall be annotated in such a manner that all work remains legible, ensuring a true and complete academic history.
- Academic renewal by Hartnell College does not guarantee that other institutions will honor the elimination of units from consideration in the grade point average. It is a student's responsibility to confirm with a transfer institution whether academic renewal will be accepted.
