III. Old Business

3.01 Committees VP Rivera Discussion/Informational

This item was to give a presentation of all the councils and committees where the Student Council Vice President, Laura Rivera, provided a PowerPoint presentation describing the shared governance councils of Hartnell College. Shared governance or participatory governance is a model of democracy that allows citizens, faculty, and Hartnell students to decide directly about the policies that affect us as a community. The policies that we decide on in the group require that politicians implement our decisions, because we are, in essence, the equitable representation of our community.

The online guest was not able to see the presentation – it was not shared in Zoom.

The PowerPoint can be accessed here:

IV. New Business:

4.01 Assigning Participatory Governance VP Rivera Discussion/Action

This item was to assign ASHC members to two councils and/or committees to join. The Participatory Governance informational PDF was emailed out to the student council on August 22nd by Laura, but this document was not able to be edited.

Students were assigned to committees during the August 25th meeting; not all were audibly heard in Zoom, so Laura was responsible for emailing the complete Participatory Governance List to be included in the minutes. Laura emailed the list 3 and a half weeks later on September 19th.

The Participatory Governance List can be accessed here:
